- ☞ An entry clearance can be a Visa, Entry Certificate or a Letter of Consent.
- ☞ Even if you hold a valid entry clearance you can still be refused entry into Nigeria by an Immigration Officer if he is satisfied that:
  - a) your entry clearance was obtained by false representations or by concealment of relevant facts, whether or not you knew of these actions; or
  - b) a change in circumstances between the date of your application and your arrival in Nigeria invalidates your entry clearance; or a refusal is justified on the grounds of restricted returnability, medical grounds, criminal records, because you are subject to a deportation order, or your exclusion would be conducive to the public good.
- ☞ An Immigration Officer can ask anyone to be medically examined on arrival in Nigeria, if he considers it necessary. Please attach your photograph here
